- Have you ever lived or travelled outside your country? Yes No If yes, describe where! (Wenn ja, beschreibe wo!)

(Warst du schon einmal im Ausland?)

Yes, I have been outside my own country, but only in Europe. There I was in Spain for a summervacation at the beach. The weather was beautiful and we were able to spend our days at the beach. I have also been to the Netherlands and Belgium for a vacation at a beach with our dogs.
For a skiing holiday, I was in Austria with my family and to go hiking we have been to Switzerland.
- Describe your community and surrounding area, including sightseeing possibilities, museums etc. which might interest a visitor. (Beschreibe deinen Wohnort und Umgebung, Ausflugsmöglichkeiten, Museen usw., die einen Besucher interessieren könnten.)

During summer there are a few lakes in my surrounding area. We could also go climbing in a forest that is made to climb or in a climbing gym. Another activity we could do is an escape room. In my home town there is an observatory that we could visit. A museum that could be interesting is the Leica museum, where many cameras are build and you have an interactive part in it to take your own pictures. In the city, where I go to school, there is our cathedral and around it the historic center that looks very beautiful. Through the city goes a river with beautiful spots near it. On this river you can also canoe or go on it with a stand up paddle. Something Wetzlar is known for is that Gothe has lived here for a while.
- What subjects do you like in school? For what reasons? What profession or occupation are you considering? For what reasons? (Welche Fächer gefallen dir in der Schule? Aus welchen Gründen? Welchen Beruf möchtest du ergreifen oder in welchem Bereich möchtest du arbeiten? - Bitte diese Frage auf jeden Fall beantworten!!)

At school I enjoy maths because it is logical to me. I feel like, if you have understood it once, it is easy to learn. I also like politics by the reason that you pay attention to every part of the society and try to find a solution to give everyone the same opportunities. It helps you to think about what you want the country to be and knowing which party you vote for. Now I also have a new subject called hygienics. I like that we learn how our body works and by what illnesses are caused. But it also teaches us how to prevent them. In the future i am thinking about studying psychology and going into the field crime. I know a few expiriments and psychic phenomena, that are always fascinating me. But sometimes I also think about becoming a lawyer or someone who is working with him.
- List your favorite activities, hobbies, and ways you occupy your free time. (Nenne deine Lieblingsbeschäftigungen, Hobbys und bevorzugte Freizeittätigkeiten. Welche Musik hörst du? Welche Sportart/en betreibst du? Bitte sehr ausführlich beantworten!!)

One of my hobbies is athletics. I do it twice a week and my favorite discipline is sprint. I also try to learn the piano since a half year, but i am teaching myself and sometimes get my aunts help. Sometimes I also draw, sew or do diy's. One of the things I sew were a T-Shirt and a dress, but mostly I repair things or make them fit. Another activity I love to do is teaching my dog some tricks. I also do dummy training with her but she only does it a few times with fun and then does not want to do it anymore. With my friends I enjoy to bake and cook, but also going out on the weekend. My favorite things to bake are cinnamon rolls and brownies or during christmas time cookies. Activities outside I like are going swimming or being on a river with the stand up paddle during the summer. My favorite artist is Olivia Rodrigo, but I also like Coldplay, Adele, Shawn Mendes and some german artists. Most of the time if I am listening to something, I hear podcast of the category true crime or entertainment.
- Do you have pets in your home? Yes How many and what kind of pets? 3 dogs (Labrador, Black Coated Retriever, Hunting Terrier)

(Haben Sie Haustiere in Ihrem Haus/Ihrer Wohnung?) (Wie viele und was für welche?)
