I really like English and Sports because I've always been interested in the USA and would love to go there one day. English is also important to me because it's the language you can use to communicate almost everywhere, and I'd love to travel a lot in the future. I enjoy Sports because I've always been good at it, especially in athletics. I also like Biology because I find the human body really interesting. In the future, I'd like to become a physiotherapist or do something in the medical field because learning about how the body works is so exciting to me.

4. List your favorite activities, hobbies, and ways you occupy your free time.
(Nenne deine Lieblingsbeschäftigungen, Hobbys und bevorzugte Freizeitaktivitäten. Welche Musik hörst du? Welche Sportarten betreibst du? Bitte sehr ausführlich beantworten!!)

In my free time, I love spending time outside with my friends because I really enjoy being with them. When I'm with my boyfriend, we usually stay at home watching movies or playing video games on the Switch, which I really enjoy too. I also work on Saturdays so I can have a bit more money for myself each month. In the evenings, I love listening to music in my room walking around outside with my headphones on. I listen to all kinds of rap but I'm open to other genres too. I go to the gym 2-3 times a week because it helps me clear my head and I enjoy it a lot. I also really like shopping and getting ready, especially doing my hair and makeup. Putting together outfits is something I'm passionate about, and I even enjoy creating looks for other people. Sometimes, I play video games in the evenings, and I also like cooking, especially because it's funny when something doesn't go as planned.

5. Do you have pets in your home? Yes No
(Haben Sie Haustiere in Ihrem Haus/Ihrer Wohnung?)

How many and what kind of pets?
(Wie viele und was für welche?)

I have a dog and he's a poodle
